#### Dimensions

# TECHNICAL DATA SHEET

## TRIMLESS BOX MCW 165 x 84

### Construction

**NOTE:**

Ensure a drywall mesh is placed over all the sides of the Xillo plate

The working temperature must always remain between 7 °C and 45 °C; at lower or higher temperatures, excessive expansion may occur, which can cause the plasterwork to crack

Image for illustration purposes only – actual product may vary, construction is similar.

**NOTE:**

For clearer and more detailed instructions, please refer to the instructional video.
